RE: REPLACEMENT PASSENGER TERMINAL PROJECT LAND USE ASSURANCE

Dear Ms. Mbakoup:

In accordance with 49 US Code 47107(a)(10), the Burbank-Glendale-Pasadena Airport Authority (BGPAA), as the sponsor for Bob Hope Airport/Hollywood Burbank Airport, is hereby providing written assurance that appropriate action, including the adoption of zoning laws, has been or will be taken, to the extent reasonable to restrict the use land adjacent to or in the immediate vicinity of the Airport to activities and purposes compatible with normal Airport operations, including landing and takeoff of aircraft. This assurance applies to both existing and planned land uses.

This assurance also applies to all land use activities associated with the Replacement Passenger Terminal (RPT) project. Although BGPAA does not have zoning authority, BGPAA will work closely with adjacent jurisdictions, including the Cities of Burbank and Los Angeles, as well as the County of Los Angeles, to ensure appropriate land use regulations are maintained and enforced.

Please contact me if questions arise or additional information is needed.

Sincerely,

Aaron Galinis, AICP  
Airport Planner  
Burbank-Glendale-Pasadena Airport Authority
